

INNOVISION 2K24

Event Name : **JIGARBAAZ**
Date : **03rd May 2024 (Friday)**
Event Co-ordinators : **Mr Himanshu Gautam & Mr Sunil Yadav**
Time : **01:00 – 04:00 PM**

Rules:

- 8 – 10 teams will participate in Jigarbaaz, number of teams can be increased as required.
- Boys & Girls events will be conducted separately so that male teams compete with other male teams and vice-versa.
- Each team will consist of 2 members.
- The stretch to be covered is 300 metres (100 metres for each lap); event will consist of 3 laps.
- Participating teams will be organized on the start line.
- Competition starts on the blow of the start whistle.
- The first lap will be “Wheelbarrow”; one team member holds onto the legs of the other member who walks on hands. Teams are allowed to change roles if required.
- The second lap (return) will be “Dead Man Lift” in which one member lifts the other member and runs the race. Teams are allowed to change roles if required.
- The third lap will be “Tie Leg Race” in which team members will tie one of their legs with the leg of the partner and then they race to the finish line.

- Both members of the team have to work equally; teams in which only one member is actively participating and the other is only supporting will be disqualified.
- While exchanging roles team members have to stay in same place: if both walk any distance together, the team will be disqualified.
- Winners and runner ups will be decided on the basis of least time taken to reach the finish line.
- In case of any discrepancy, decision of the event co-coordinators will be final.
